6.3 - The net profit that remains after the allocation to the savings shares of the preferred dividend provided for in subsection 2, payment of which must be approved by the Shareholders' Meeting, shall be divided among all the shares in such a way that the dividend per savings share is higher by two per cent of 0.55 euros per share.

6.4 - When the dividend paid on savings shares in a financial year is less than that indicated in subsection 2, the difference shall be added to the preferred dividend in the next two financial years.

6.5 - In the event of a distribution of reserves, the savings shares have the same rights as the other shares. If the net profit for the year is nil or insufficient to satisfy the financial privileges referred to in the preceding subsections, the Shareholders' Meeting called to approve the financial statements may resolve to satisfy the right referred to in subsection 2 and/or the right to the premium referred to in subsection 3 by drawing on the reserves. Payment made by drawing on the reserves shall exclude application of the mechanism for carrying over the right to preferred dividends not received through the distribution of profits referred to in subsection 4 to the two following financial years.

## Article 7

7.1 - The shares shall be indivisible. In the event of joint ownership, the rights of the joint owners shall be exercised by a common representative. Fully paid-up shares may be bearer shares when the law permits. In this case, each shareholder may apply for their shares to be converted, at their own expense, into registered shares or vice versa.

7.2 - Vis-à-vis the Company, shareholders shall be deemed to elect domicile for all legal purposes at the domicile indicated in the Shareholders' Register.

7.3 - The imposition or removal of restrictions on the circulation of shares shall not result in shareholders who do not vote in favour of such resolution having the right of withdrawal.

#### Article 8

8.1 - The Company may issue bonds and shall establish the terms and conditions of their placement.

8.2 - The costs associated with organizing meetings of bondholders shall be borne by the Company, which, in the absence of a bondholder resolution in the form prescribed by law, shall also bear the cost of the remuneration of the common representatives up to the maximum amount set by the Board of Directors for each issue, taking account of its size.

### BOARD OF DIRECTORS

#### Article 9

9.1 - The Company shall be managed by a Board of Directors consisting of not less than seven and not more than nineteen members, at least one third of whom shall be of the less represented gender, rounding any fractions up to the next whole number. The Shareholders' Meeting shall establish the number of members of the Board of Directors, which shall remain unchanged until a different number is established.

9.2 - The Board of Directors shall be appointed, in accordance with the applicable laws and regulations, on the basis of slates presented by the shareholders or by the outgoing Board of Directors.

9.3 - Each shareholder may present or participate in the presentation of only one slate and each candidate may appear on only one slate on pain of ineligibility. Slates that contain a number of candidates greater than or equal to three must ensure that both genders are present, in such a way that candidates of the less represented gender are at least one third of the total, rounding any fractions up to the nearest whole number.

9.4 - Slates may be submitted only by shareholders who alone or together with other shareholders hold a total number of shares representing at least 0.5% (or such other amount established by Consob regulations) of the share capital entitled to vote at the Ordinary Shareholders' Meeting.

9.5 - Together with each slate, it is necessary to file individual candidates' acceptance of their candidacy and declarations in which they attest, on their own responsibility, that there are no grounds for ineligibility or incompatibility, and that they meet any requirements, as well as any other information requested by applicable law or regulation or the bylaws. Together with the declarations, a curriculum vitae shall be filed for each candidate setting out their main personal and professional data with an indication of the positions held in management and control bodies of other companies and of the grounds for their qualifying as independent in accordance with the criteria established by law and the Company. Any changes that occur up to the day the Shareholders' Meeting is held must be promptly notified to the Company.

9.6 - Each person entitled to vote may vote for only one slate.

9.7 - The Board of Directors shall be elected as specified below:

- a) four-fifths of the Directors to be elected shall be chosen from the slate that obtains the majority of the votes (the Majority Slate), in the order in which they are listed on the slate, rounding any fractions down to the nearest whole number;

b) without prejudice to compliance with the applicable laws and regulations concerning the limits to the link with the Majority Slate, the remaining directors shall be taken from the other slates; to that end, the votes obtained by the various slates shall be divided successively by whole numbers from one up to the number of directors to be chosen. The quotients thus obtained shall be assigned to the candidates on each slate in the order specified thereon. On the basis of the quotients assigned, the candidates on the various slates shall be arranged in a single decreasing ranking. Those who have obtained the highest quotients shall be elected.

If more than one candidate obtains the same quotient, the candidate from the slate that has not yet elected any director or that has elected the smallest number of directors shall be elected.

If none of such slates has yet elected a director or all of them have elected the same number of directors, the candidate from the slate that obtained the largest number of votes shall be elected. If the different slates have received the same number of votes and their candidates have been assigned the same quotients, a new vote shall be held by the entire Shareholders' Meeting and the candidate obtaining the simple majority of the votes shall be elected.

If the composition of the resulting board does not reflect gender balance, taking into account their ranking order on the slate, the necessary number of the last candidates of the more represented gender elected from the Majority Slate shall forfeit their post to ensure compliance with this requirement, and shall be replaced by the first candidates not elected from the same slate who are of the less represented gender. In the absence of candidates of the less represented gender on the Majority Slate in sufficient number to proceed with the replacement, the Shareholders' Meeting shall supplement the board with the majorities required by law, thus ensuring that the requirement is met.

9.8 - In appointing directors who for any reason have not been appointed pursuant to the procedure specified above, the Shareholders' Meeting shall vote on the basis of the majorities required by law, ensuring that the requirements of the law and the Bylaws regarding the composition of the board are respected.

9.9 - If in the course of the financial year one or more vacancies occur on the Board, the procedure specified in Article 2386 of the Civil Code shall be followed, ensuring that the requirements of the law and the Bylaws regarding the composition of the board are respected.

9.10 - Should a majority of the seats on the Board of Directors become vacant for any cause or reason, the remaining directors shall be deemed to have resigned and they shall cease to hold office from the time the Board of Directors has been reconstituted by persons appointed by the Shareholders' Meeting.

9.11 - At the first renewal of the Board of Directors after the Shareholders' Meeting of 15 May 2012, the quota to be assigned to the less represented gender is limited to one fifth of the total, rounding any fractions up to the nearest whole number.

## Article 10

10.1 - The Board of Directors shall elect a Chairman from among its members — if the Shareholders' Meeting has not already done so — and may also appoint one or more Vice Chairmen.

10.2 - If the Chairman is absent or unable to act, the senior Vice Chairman by age, if appointed, shall take his/her place or, in the absence of a Vice Chairman, the most senior director by age.

**Article 13**

13.1 - To implement its own resolutions and manage the Company, the Board of Directors, subject to the limits provided for by law, may:

13.3 - The Board of Directors shall appoint the manager responsible for preparing the Company's financial reports after consulting the Board of Statutory Auditors. Unless revoked for good cause after consulting the Board of Statutory Auditors, the appointment of the manager responsible for preparing the Company's financial reports shall terminate with that of the Board of Directors that appointed him/her.

13.4 - The manager responsible for preparing the Company's financial reports must be an expert in the fields of administration, finance and control and satisfy the integrity requirements established for directors. Subsequent failure to satisfy these requirements shall entail disqualification from the position, which must be announced by the Board of Directors within

thirty days of its learning of the failure.

#### **Article 14**

14.1 - Persons with delegated powers shall report to the Board of Directors and the Board of Statutory Auditors on the activities carried out, the general results of operations and their foreseeable development, and on the transactions of greatest economic, financial or balance sheet significance concluded by the Company or its subsidiaries; in particular, they shall report on transactions in which they have an interest, directly or on behalf of third parties, or that are influenced by the person, if any, who performs the activity of direction and coordination. Such reports shall be made promptly, and at least once in each quarter, in meetings or in writing.

14.2 - In accordance with the times and procedures for disclosing information to the market, the common representative of the holders of savings shares must be informed by the Board of Directors or the persons delegated to that end of any corporate events that might affect the price of the shares of that class.

#### **Article 15**

15.1 - The representation of the Company vis-à-vis third parties and in legal proceedings shall pertain to the Chairman or if he/she is absent or unable to act, the Vice Chairman, if appointed; it shall also pertain severally to each of the Managing Directors.

15.2 - The legal representatives mentioned in the previous subsection have the right to confer powers of representation of the Company, including in legal proceedings, with the right to issue sub-proxies.

#### **Article 16**

16.1 - The directors shall be entitled to the reimbursement of expenses incurred in the performance of their duties. The Ordinary Shareholders' Meeting shall also decide the annual remuneration payable to the Board of Directors. Once fixed, this remuneration shall remain unchanged until a different amount is established.

## BOARD OF STATUTORY AUDITORS

### Article 17

17.1 - The Board of Statutory Auditors shall consist of five standing auditors, including at least two from the less represented gender. The Shareholders' Meeting shall also appoint four alternate auditors, two of each gender.

17.2 - For the purposes of Article 1, subsection 2, letters b) and c) of the regulation referred to in Justice Minister Decree 162/2000, the following sectors of activity and matters shall be considered closely linked to those of the Company: telecommunications, information technology, online systems, electronics and multimedia technology, and matters related to private and administrative law, economics and business administration.

17.3 - The appointment of the Board of Statutory Auditors shall be in compliance with the applicable laws and regulations on the basis of slates presented by shareholders.

17.4 - Each shareholder may present or participate in the presentation of only one slate and each candidate may appear on only one slate on pain of ineligibility.

17.5 - Slates may be submitted only by shareholders who alone or together with other shareholders hold a total number of shares representing at least 0.5% (or such other amount established by Consob regulations for the appointment of the Board of Directors) of the voting share capital.

17.6 - Together with each slate, it is necessary to file individual candidates' acceptance of their candidacy and declarations in which they attest, on their own responsibility, that there are no grounds for ineligibility or incompatibility, and that they meet the requirements, as well as any other information requested by applicable law or regulation or the bylaws

17.7 - Together with the declarations, a curriculum vitae for each candidate shall be filed setting out their main personal and professional data, with an indication of the positions held in management and control bodies of other companies. Any changes that occur up to the day the Shareholders' Meeting is held must be promptly notified to the Company.

17.8 - The slates shall be divided into two sections: one for candidates to the position of standing auditor and the other for candidates to the position of alternate auditor. Slates which in one or both sections contain three or more candidates must ensure the presence of both genders in said section, so that candidates of the less represented gender are at least one third of the total, rounding any fractions up to the next whole number. The first candidate in each section shall be selected from among the external auditors entered in the appropriate register who have worked on external audits for a period of not less than three years.

17.9 - Each person entitled to vote may vote for only one slate.

17.10 - The Board of Statutory Auditors shall be elected as specified below:

- b) without prejudice to the applicable laws and regulations concerning the limits to link with the Majority Slate, two standing and two alternate auditors shall be chosen from the other slates (the Minority Slates).

To this end, the votes obtained by the Minority Slates shall be divided by one and by two. The quotients thus obtained shall be assigned to the candidates of the one and the other section of each slate in the order specified thereon. On the basis of the quotients assigned, the candidates on the various slates shall be arranged respectively in a single decreasing ranking for the appointment of the standing auditors and a single decreasing ranking for the appointment of the alternate auditors and those who have obtained the two highest quotients shall be elected.

If more than one candidate obtains the same quotient, the candidate from the slate that has not yet elected a statutory auditor shall be elected or, subordinately, there shall be a tiebreaker vote by the entire Shareholders' Meeting and the candidate who obtains the simple majority of the votes shall be elected.

If the composition of the resulting board or category of alternate auditors does not reflect the gender balance, taking into account their ranking order in the respective sections, the necessary number of the last candidates of the more represented gender elected from the Majority Slate shall forfeit their position to ensure compliance with this requirement, and shall be replaced by the first unelected candidates of the less represented gender on the same slate and the same section. In the absence of candidates of the less represented gender in the relevant section of the Majority Slate in sufficient number to proceed with the replacement, the Shareholders' Meeting shall appoint the standing or alternate auditors that are missing with the majorities required by law, ensuring that the requirement is met.

17.11 - The Shareholders' Meeting shall appoint the Chairman of the Board of Statutory Auditors from among the standing auditors elected from Minority Slates.

17.12 - In appointing statutory auditors who for any reason have not been appointed pursuant to the procedure specified above, the Shareholders' Meeting shall vote on the basis of the majorities required by law, ensuring compliance with the requirements of the law and the Bylaws regarding the composition of the board and the category of alternate auditors.

17.13 - In the event of the termination of the appointment of statutory auditors chosen from the Majority Slate or from one of the Minority Slates, alternate auditors chosen respectively from the Majority Slate or the Minority Slates shall take their place in declining order of age, always in compliance with the requirements of the Bylaws regarding the composition of the board. Appointments to fill vacancies on the Board of Statutory Auditors pursuant to Article 2401 of the Italian Civil Code shall be approved by the Shareholders' Meeting with the affirmative vote of the absolute majority of those voting and in compliance with the principle of the necessary representation of the minority shareholders, and of the requirements of the Bylaws regarding gender balance. In the event of the termination of the appointment of a statutory auditor chosen from the Minority Slates the principle of the necessary representation of the minority shareholders shall be deemed to be complied with in the event of the appointment of an alternate auditor chosen from the Minority Slates.

17.14 - After notifying the Chairman of the Board of Directors, the Board of Statutory Auditors, may call, as provided for by law, a Shareholders' Meeting or a meeting of the Board of Directors or the Executive Committee. This power to call meetings may be exercised individually by each statutory auditor, except for the power to call a Shareholders' Meeting, which must be exercised by at least two statutory auditors.

17.15 - Participation in the meetings of the Board of Statutory Auditors may – if the Chairman verifies the necessity – be by means of telecommunication techniques that permit participation in the discussion and informational equality for all those taking part.

17.16 - If the Chairman is absent or unable to act, the other standing auditor elected from the Minority Slates shall take his/her place.

17.17 – At the first renewal of the Board of Statutory Auditors after the Shareholders' Meeting of 15 May 2012, the quota to be assigned to the less represented gender is limited to one fifth of the total rounding any fractions up to the nearest whole number.
