Votes by mail cannot be cast by proxy. The ballot card must be signed by the person entitled to vote. Where a right to vote is held jointly the signature must be placed by the common representative if appointed, otherwise all the joint holders are required to sign. Unsigned ballot cards will not be taken into account. Ballot cards that do not indicate how the person intends to vote will be calculated for the purpose of determining the quorum at the Shareholders' Meeting, but will not be taken into account for the purpose of calculating the majority and the share of capital required to approve resolutions.

When sending the ballot card, place the pages on which the voting intentions have been stated (page 2), duly signed, in a sealed envelope (envelope A). Place envelope A (containing the voting intentions) in a second envelope B, together with this page, duly signed. Envelope B must be received at the following address not later than 3 May 2018

TIM S.p.A.  
Corporate Affairs - Ref. Vote  
Via Gaetano Negri 1  
20123 Milan - Italy

It should be noted that a vote cast by mail may be revoked with a written declaration sent to the Company at the same address within the same deadline; a vote may also be cancelled by express declaration made by the person concerned during the Shareholders' meeting.

**INSTRUCTIONS:**

Table A is for casting a vote on specific proposed resolutions.

Table B is for casting a vote in the event of the proposed resolutions on the agenda being (i) amended or supplemented and/or (ii) alternative resolutions being made. In this respect, Table B provides for the vote cast in Table A to be (i) confirmed, (ii) revoked or (iii) amended. If the option is chosen to revoke the votes cast in Table A, the corresponding shares will not be taken into account for the purpose of calculating the majority and the share of capital required to approve the resolution. Voters by mail may only tick one box in each table. In the event of an unclear vote, the vote cast will not be considered valid and the corresponding shares will not therefore be taken into account for the purpose of calculating the majority and the share of capital required to approve the resolutions. Table B is not provided in the case of slate voting.
