AGENDA

- Appointment of the Board of Directors - Determination of the number of members of the Board of Directors
- Appointment of the Board of Directors - Determination of the Board of Directors' term of office
- Appointment of the Board of Directors - Appointment of the Directors by slate vote
- Appointment of the Board of Directors- Determination of the remuneration of the Board of Directors

Proposals regarding the appointment of the Board of Directors

The appointment of the Board of Directors will be made on the basis of slates presented by shareholders who, jointly or separately, hold shares representing at least 0.5% of the ordinary share capital. The slates must be submitted to the Registered Office of the Company or sent via the e-mail address assemblea.azionisti@pec.telecomitalia.it by 9 April 2018, producing the certificates proving entitlement to exercise this right by 13 April 2018. Registration of increases or decreases in the number of shares held in the accounts of the presenting shareholder after the date of filing of the slate shall have no effect on their entitlement to the exercise of their right.

Regarding the requisites for the composition of the slates reference is made to art. 9 of the Company's by-laws, which may be consulted on the website www.telecomitalia.com.

The following documents must be filed with each slate:

- for each candidate, (i) acceptance of candidacy, (ii) a declaration attesting that no causes of ineligibility or incompatibility exist, and that the candidate possesses the requisites of independence specified in Legislative Decree no. 58/1998 (the "Consolidated Law on Financial Intermediation" "CFL") and/or the Corporate Governance Code of Borsa Italiana, (iii) an exhaustive report on the personal and professional characteristics of the candidate, indicating any appointments as director or auditor of any other company. Any variations that might occur prior to the day the Shareholders' Meeting takes place must be promptly communicated to the Company;
- the shareholders submitting a slate must also present information relating to their identity, indicating the total number of shares held.

Consob recommends that shareholders filing "a minority slate" file together with the slate itself a declaration certifying the absence of affiliation relations, also indirectly, as specified in art. 147-ter, section 3 of the Consolidated Law on Financial Intermediation and art. 144-quinquies of Consob Regulation n. 11971/1999.

The slates submitted correctly will be published at the registered office and at the storage mechanism "1INFO" (www.1info.it), as well as on the company website www.telecomitalia.com/agm.

Shareholders intending to present a slate are invited to contact the Company's Corporate Affairs office in advance to define all the necessary details.
